

# Drugs and Drug Policy

Invitation to a public debate and the launch of the

## Massive Open Online Course (MOOC) « Drugs, drug use, drug policy and health »

**June 26<sup>th</sup>, 18:00**

**Campus Biotech, 9 Chemin des Mines, Geneva**

**On the occasion of the United Nations World Drug Day and the « Support. Don't Punish » Global Day of Action**

Open debate on drugs and drug policy introduced by speakers from the University of Geneva, the Graduate Institute of International and Development Studies, the World Health Organisation (WHO), law enforcement, the International Network of People Who Use Drugs (INPUD) and others.

In French and English (en français et en anglais), followed by a cocktail.

Registration: <https://www.genevaplatform.ch/event/launch-of-the-mooc-drugs-drug-use-drug-policy-and-health/>

**The « Drugs, drug use, drug policy and health » MOOC is new media to learn about and understand the interrelationship between health, drugs and drug use; and the need for drug policies to put the health and human rights of people at the centre.**

- A free and globally accessible university course;
- Six weeks of teaching/learning;
- In English with Spanish, French and Russian subtitles;
- Videos, lectures, exercises and discussions taught by over 40 scientists, public policy officials, physicians, journalists, civil society actors and people who use drugs.
- Available on [www.coursera.org](http://www.coursera.org) from 26 June 2018
